

MARINE GRADE MULTI-ZONE  
RGBW LIGHTING CONTROLLER  
**SCM-ZC-KIT**

► **DESCRIPTION**

Control all of your boat or recreational vehicle's RGB lighting with Shadow-Caster®'s easy to use multi-zone push button lighting controller. Our unique system provides 4 independent zones of color, brightness, multiple fade, strobe and music sync modes. The waterproof back lit controller can be mounted conveniently at your helm for quick and easy access.

**FEATURES**

- Easy to use, tactile push button interface
- No extra power switches required. Our system will control all on/off power requirements for the lighting including optional Shadow-Net® lights
- Dimmable back lights
- Compatible with all standard RGB or RGBW lighting
- Control unique color and brightness for each zone
- Control speed and color sequence for multiple fade and strobe modes
- 3 versions of music synchronization
- Visual indication back light to indicate zone color

**SPECIFICATIONS**

- 4 individually fused 15 amp RGBW lighting connections
- Compatible with 12/24 volt systems
- 3.5mm female audio connection for music sync input
- IP65 washdown rated enclosure
- Round controller size:  
3.6" (92mm) OD x 0.5" (13mm) height,
